Introduction

Communication is important. Over a three week period you have gained an insight into the work of Alec Deane as he resources the Wichí people through the Garden Project. Hopefully the story doesn't stop at the end of 3 weeks! SAMS challenges you to choose one of the following tasks as part of the Youth Competition.

- Write a poem for Alec as an encouragement to him in his work.
- Write a poem which SAMS could use to highlight the Garden Project.
- Mull over all that you have discovered and write a prayer.
