Thanks to these faithful helpers, we are able to run the Toy Libraries every Saturday. We Thank God for them.

I thank God for His faithful provision which means that this project can continue to touch the lives of many children.

Also, thank you to all those who support us economically so that we can keep going.

Please pray for the second half of the year as we continue to share God's Word and give special time to each child, teaching them how to play.

God bless you richly.
