PROGRAMA DE ENTRENAMIENTO MINISTERIAL

A SEMESTER OF VISION AND COMMITMENT

Newsletter nº1 July 2010

During this semester we have been witnesses of God's immense fidelity, as has been that of those that month to month help us to sustain this minister, and who also make possible our moving forward with our vision of stirring deeply the Gospel within the pastors in Chile, and with biblical training for the next generation.

God is raising lots for the work of the Gospel in our country. We are infinitely grateful to the Lord as we count now with local gymnasiums in 3 regions of Chile, and new leaders have started to prior the training of workers. Also, a lot of youth have been giving part of their limited financial resources so that we could create the National Gym office, where Leslie Du Belloy is working part-time. She is already working on the next Desafío 2010, where we will be able to see what was Jesus' strategy for the growth of His Church, and his desire for his followers to be firm disciples, who know how to make disciples of others. For this reason, the motto will be 'Disciples that make Disciples', and we are praying for this day to be a celebration of God's work and, as always, an exhortation from the heavens to commit to His strategy for our lives.

While we wait for Desafío day, we will be providing resources, motivation and news on our web page: www.gimnasionacional.cl We recommend them to you, hoping that it can be a tool to reawake your passion and joy in Jesus Christ, your love for the church, and for

those who do not know him yet. At the same time, we hope to receive your comments and ideas so that we are able to keep on building a page that will be representative of our national reality, therefore, teaching every local church in our country.

There is still much to do, and we would like to encourage you to continue with your financial support, so that we can keep giving material to churches throughout Chile, and getting to see how men and women take some time to qualify themselves and to find out is God is calling them to work fulltime in the service of His gospel.

A big hug to all of those who, with their prayers and financial support, have allowed the first semester we have had. We hope to see you in Desafío 2010 to renew our strengths and vision.

In Jesus Christ's passion,

Cristóbal Cerón
General Coordinator
National Gym
