

News from Paraguay

Dear Friends,

Greetings from a still very hot and humid Paraguay. Even when we wake up in the morning our thermometers in our rooms read 30°C or more! We've had a lot more rain this week which makes the grass look a lot better but also adds to the humidity. The children have had to have indoor playtimes because of the heat.

Even so, we give thanks for a good start to the school year. We had a good opening service in the cathedral for the staff before term started and a good time learning together.

The 6th form made a really good start to their last year in school. They arrived on their first day in an open-topped, London bus! It was quite a spectacular entrance but they behaved so well and had lots of enthusiasm that it made the day enjoyable.

Infants

We give thanks for their start as they were a class that lacked spark and yet they have come ready to work and help and also very open spiritually and we praise the Lord for His work in them. Their enthusiasm continued into our school service and overflowed to their parents who joined us for that. We had a few tearful faces among their parents.

Parents meetings have gone well so far and Pastor Ronnie has spoken at most of them. After the infants' meeting one new parent how much he appreciated the spiritual talk, something he had not heard much of lately.

On the second day the 6th form went off to Leaders' camp to prepare them to lead in camps for the younger ones. They had a great time and are now getting ready to lead camps for the lower secondary from March 12th to 14th.
