

# School hymn by candlelight

# Dinner

In the evening we had our School dinner which was amazing. It was beautifully prepared and decorated with a fantastic atmosphere. Everyone had come to enjoy themselves and enjoy the evening. The outside was decorated to look like Buckingham Palace! There were over 800 people there and it was quite a job trying to fit names to people especially when they might have left over 20 years ago!! Now we have one week left in school before our winter holidays although quite a number of pupils are already away. We are quite tired after all the events and a long term.

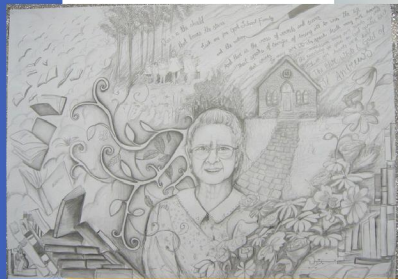

One of our dogs is quite ill with cancer and probably won't last much longer so that's something we're not looking forward to. Also the lady who cleans for us has been ill with pneumonia for the last 6 weeks just at the time when we have been busiest in school. Hopefully she'll be back this week.

*Drawing of planting the seed of the school from original photos.*

The tree of San Andres : made up of the names of all the ex-pupils.

**Sorry**

## Visit to Esperanza home

We are sorry our letter is late this month but as you can see we have been rather busy!! Thank you for all your prayers and support. God Bless, Love Mags and Gwen
