Dear friends,

Our holidays have gone all too quickly and we are already going into school getting ready for the new term. We had a great time in Camboriu, Brazil by the sea. We enjoyed lots of walking along the beach. and even managed a ride on a Pirate ship!!

Since coming back we've been doing lots of the jobs that there is never time for once school starts but the list was longer than the holiday!

It has been amazing to see the new building go up at the Annexe. A wonderful gift for the 40th Anniversary. The men have worked very

Give thanks for:-

The new building at the annexe school, completed in record time- it looks amazing!

A good holiday on the Brazilian coast and for kind friends' invitation to stay with them in their flat on the sea front...a real blessing!

For all the work done in the school in the holidays and the hard work of all our school maintenance team.... They really are special.

For a good start to the administrative year as the office staff started back on Jan 25th.
