Dear Friends,

January 2010

As we enjoy holidaying in Ambleside it is a pleasure to gaze at the dramatic silhouettes of the winter trees. It's amazing to think that in a short time buds will burst forth and they will be covered in new leaves.. And its also awesome to think that God chooses us to pass on the message of hope and new life in Jesus!

Before we return to Asunción in late February we will be spending time with family and friends. We also plan to visit:

St Marks Haydock, Sunday 24 January 10:45 am  
St Paul's Blackbrook, St Helens, Sunday 24 January 6:30 pm  
SAMS Ireland Friday Night Live Friday 5 February  
St Patrick's Cathedral Armagh Sunday 7 February  
St Barnabas Church, Plymouth Sunday 21 February 9:30 am

One of the delights of living in Paraguay is watching the lush palm tree in our front garden grow strong with new growth. As we return to Asunción, with its challenges and opportunities, we are aware of how important it is that members of the Paraguayan Anglican Church mature spiritually, enabling Gods's people to be couriers of the Good News and the mission of the church to be fruitful and prosper.

Thank you for your support, prayers and concern for us and the Anglican Church in Paraguay.

With love from + Peter & Sally

The song writer reminds us - Good people will prosper  
like palm trees they will grow strong  
like the cedars of Lebanon.

They will take root in your house,  
Lord God, and they will do well.

They will be like trees that  
stay healthy and fruitful,  
even when they are old.

Psalm 92:12 - 14

You might like to join us in being thankful for:

- God's goodness towards us
- rest and relaxation with family & friends
- good health
- rapid progress with our documents

We are praying for:

- wisdom and sensitivity
- continued good health and strength
- 'Towards Spiritual Maturity' courses starting soon
- establishing good working teams
