

## Paraguay Prayer Calendar May & June 2013

### Week Weds 1 – Tues 7 May – Choosing blessing

*Blessed is the nation whose God is the Lord, the people he chose for his inheritance. Psalm 33:12*

Miriam Greco asks us to thank God for the gift of his Son, who made one sacrifice to gain for us freedom and was raised from the dead to give us life in abundance.

We give thanks for peaceful general elections last month and ask you to pray for Horacio Cartes as he prepares to take up his role as president in August.

Claire Holmes asks us to give thanks for

- the young people who finished the Bible courses three of whom got baptised recently
- the recent rain as we pray for those in Concepcion who have lost their crops through drought and then floods, that now there would be beneficial rain

Esteban Romero says thank the Lord because the youth camp follow-up meeting in the cathedral was very well attended with young people from most of the churches able to take part. 'We had fun games, and excellent worship time and a challenge to be prepared as Christ's disciples to conquer Paraguay for Christ!'

Give thanks for Paraguayan families: for husbands, wives, children and grandchildren. Please pray that within the framework of the family and the church God will refine our characters.

Tim Curtis shares:

- Let us give thanks for Pastor Mario Caballero from Dos Palmas and his links with young musicians in the area. During Easter they were able to visit the new community of Primavera with Tim Curtis. A service of Holy Communion took place there on Good Friday and the musicians led the worship. They also visited La Rosakue. Various Psalms and Scripture readings were provided by the translation team for the congregation there and there was good feedback on the texts. Pray for Benancio Benitez and Carlos Velazquez who usually lead the services in Primavera and are kept supplied with biblical texts by the translation team for feedback.
- Please pray for Pastor Lucio Romero who has been away spending considerable time with his son Valeriano on a ranch after the death of Valeriano's wife a couple of months ago. Mario C and other leaders stood in for Lucio in Santa Fe and other communities in El Estribo during Easter.

### Week Weds 8 – Tues 14 May – Waiting

*The disciples all continued with one accord in prayer and supplication, with the women, and Mary the mother of Jesus, and with his brethren. Acts 1:14*

Esteban Romero asks us to thank the Lord for the youth who recently attended a large youth conference with leaders from other churches and received training, giving them more tools to work with other young people. Please pray for a new generation of young Anglicans who will impact those around them drawing others to Christ.

Please pray for the acute health situation in Paraguay with over ½ million people having visited health centre, doctors and hospitals asking for blood checks for dengue fever. There have been over 70,000 confirmed cases and an unusually high number of deaths. Octavia the treasurer at the Zeballos Cue church died very rapidly from dengue, we pray for her family and the church as they adjust to their loss. Please pray that cooler weather would come soon bringing a reduction in the number of dengue mosquitoes.

#### Prayer focus for the week: Bishop Andres and Estela

We thank Jesus for their witness to the Risen Lord who gives to those who turn to him and receive him, forgiveness, healing and changed lives. Pray for the times they spend waiting in prayer with other members of St Pauls church. Please pray for them this year as they prepare for Bishop Andres' retirement next year. May the Lord bless them as a family and may the good plans He has for their future be brought into being through the power and guidance of the Holy Spirit.

Sharon McCririe asks us to pray with her in this time of waiting in La Puerta. She is seeking the Lord's direction re future use of the Puerta building. We thank the Lord that the walls are now repaired and a new sewer system has been installed. The girls have been moved to the rehabilitation centre in Caacupé, where the director is looking for people to train. Please pray for Marcia who fell and now has a problem with her tailbone. We praise the Lord for his hand of mercy and love upon the 11 girls in Caacupé.

Teresa Maidana, Sally Bartlett, Ana Maria & Maria Liz thank you for praying for the Esperanza foster home which is now starting a new phase. We give thanks for:

- all the children who have passed through the home during the last 7 years that they would continue to grow in grace, love and strength
- the paperwork enabling Esperanza to be a charity
- house Aunty Inocencia and helper Marina as they take up their new roles, thankful for all the good things that have happened as they have waited for the arrival of the first children as the home reopens
- for all who have generously given time, money and resources over the last 7 years that the Lord may recompense them

Please pray for Esperanza for:

- baby V and her young mother as they move into the next phase of their lives
- the new children who are arriving that the home would be a place of refuge, security and stability enabling them to grow and develop healthy lives as they await their future placements
- wisdom in using the resources available

You may be waiting for something important in your life or a situation for which you are praying. Be encouraged to remain faithful in praying knowing that our Heavenly Father maps out the seasons of our lives for our eternal good.

### **Week Weds 15 – 21 Tues May – Pentecost**

*Peter replied, "Each of you must repent of your sins and turn to God, and be baptized in the name of Jesus Christ for the forgiveness of your sins. Then you will receive the gift of the Holy Spirit. This promise is to you, and to your children, and even to the Gentiles — all who have been called by the Lord our God." Acts 2:38,39*

Father God, we thank you for the example of the Peter and his boldness in preaching the message of the Gospel of Jesus Christ. We pray that you will raise up a new generation of leaders in Concepcion who will carry on the inheritance of those who have gone before them, working boldly with children, young people and the country areas.

She felt convinced that spiritual forces were attacking her and threatening to kill her. She has received prayer ministry in Asuncion for freedom from these attacks. Please continue to pray for her that she would grow in the Lord, be assured of His love and that she will be rooted Christ and grow in understanding of the Scriptures. Mario asks us to pray that the pastors and deacons and church workers in La Patria would be able to meet together more often for fellowship and support.

We give thanks for the weekly meetings of the Asuncion Anglican youth, giving thanks for recent meetings in Remansito, where there was much evidence of commitment on the part of the 'King of kings' young people. They organise events with great enthusiasm and dedication, and God spoke to them with power and conviction about the Faith, focusing on the truth that nothing is impossible for God. The young people are meeting together to study the Bible in groups using SEAN courses. They also enjoy activities such as singing, break dancing, snacks and sports.

They give thanks for recently completing the SEAN course, The Big Picture, a 20 lesson overview of the Bible, its books, topics and principles doctrines. The ladies who attend the group have very diverse spiritual backgrounds and have found friendship and fellowship together on Thursday afternoons. Please pray for the next phase of the group as they embark on a new study together.

Jesus, just as you met the Samaritan lady at the well and offered her living water, we continue to pray for all the large and small gatherings across Paraguay where the audio Bible in Guarani is being listened to, may this be like fresh cool water in a sun parched land, life giving and life transforming! Amen.

We thank the Lord for the opportunities given to grow in community and to learn together.

We thank the Lord for her leadership in times of changing social and cultural patterns May the Lord always endue her with wisdom from on high, and use her gifts to His glory. May she be given health and well being spiritually, mentally and physically.

Mags Southern shares: As part of our 50<sup>th</sup> celebrations we have a project to redo the bathrooms at the Annexe school which haven't been done since they were built! Any profit from the events will be put towards them as well as fundraising things. It will be a long term project since they will cost £10,000. We pray for the school's fundraising projects that they would bring the Lord's blessings to others and form in the pupils habits of generosity and compassion.

We thank the Lord for the young people who are preparing to be baptised in July. We thank the Lord for their lives, faith in Jesus and their witness to their families. ### **Week Weds 26 – Sun 30 June – Be prepared**

*“Preach the word of God. Be prepared, whether the time is favourable or not. Patiently correct, rebuke, and encourage your people with good teaching. 2 Tim 4:2*

Please pray for Esteban Romero and other youth leaders as they prepare for the July winter youth camp. May they be guided by the Lord in their practical preparations and planning and in the choosing of topics and activities.

This week you might like to take time to meditate on the advice above, given by the Apostle Paul to the younger Timothy as he started out in church ministry. You might like pray for yourself or your church or the church in Paraguay or for other situations.

Questions to consider:   How might I become more prepared in the Word of God?  
                                  How can I share Biblical truths in unfavourable times?  
                                  Am I becoming more patient?  
                                  Are there situations where I am being called to correct, rebuke or encourage?  
                                  How can I do these things using God’s strength and wisdom rather than my own?

Thank you for praying for the Anglican Church in Paraguay
