## ***Pray with us for Peter and Sally***

Praise the Lord, for their safe arrival in Paraguay and for the consecration service which was both a time of celebration and of challenge. Pray for special wisdom and a teachable spirit as they cope with all that's involved in moving into a new house in a new country and culture.

Two Chaco pastors, **Niño** and **Mario** (left and right in the photo) are both from La Patria. The churches there have been particularly affected by an itinerant Pentecostal group. **Pray for our** visit to two of those churches with a **children's programme** on Saturday

of Holy week. We'll take a small team from Asunción and Indian pastor **Teodoro**. [His community (Pomé) has also been a target for the Pentecostal group which continues to cause confusion and division in different Indian communities. Please pray.]

We plan to take the same children's programme to the churches in Pomé Sombrero Pirí on Good Friday and, on Easter Sunday, to the church in Karanda El Estribo.

Praise and the Lord for the **rain** that has fallen but continue to pray that sufficient rain will fall to see us through the dry winter months. A lack of water could affect our **Bible school** planned for the end of May. Please pray for the preparation and for the on going study with the pastors, especially **Juan** and **Romualdo**.

Praise the Lord for the encouraging meeting of the team that visits Río Verde on the 31st March. In the photo from left to right: **Bishop Peter, Alberto, Lorenzo, Esteban** and **Alfredo**, pray for them as they plan to reach neighbouring communities.

**Neill** continues to look for work as a translator, **Javier** is not sure whether he will continue in St Louis when this semester ends in May. **Derek** is approaching his A levels and is looking for work and accommodation for next year.
