

Back to school!

This week the long summer holidays came to an end. Kevin (nearly 13) began 1st year of secondary school, while Chris (7) is now in 2nd year of primary school. Both have begun with much enthusiasm!

Of the **Minor Prophets**, Hilario has now finished the first draft of the book of Zechariah. Meanwhile Obadiah, Jonah, Nahum and Habakkuk have now been checked. And on Michael's next trip to Juárez, we hope to check Zephaniah.

Please pray for funding to print two booklets as **reading materials** for children, one on Zacchaeus (Luke 19 - *see right*) and one on the Christmas story.

Also, Michael is working on a course on **Christian worship**, which we hope to run in the Toba villages later this year.

Toba - Spanish dictionary

Michael is now 22% through an update of the provisional Toba-Spanish dictionary (*see left*). It's a huge job, requiring several months of work (doing a little at a time, amongst other tasks).

Budget 1012

We are extremely grateful for *all* the support we have received, which has enabled us to continue this vital work with the Tobas: we praise the Lord for every one of you! We believe this is where the Lord wants us to be working: the Toba church urgently needs Bible teaching, and the Scriptures themselves, in the language of the people.

Please would you consider sharing in this work during the remainder of this year? *How?* By making a small monthly donation towards our support, via CMS. Even a small amount such as £25 or £30 a month would be extremely valuable for us. Or maybe you could consider a little more. **Please pray about this.** [Details on page 2]

Cristina's health

President Cristina Kirchner (*left*) had a successful operation on 4th January to remove a cancerous growth in her thyroid gland, and she has now been back at the head of the government for over a month. **Please pray** for her, and for effective policies to counter unemployment, crime and corruption.

Late Christmas

Last month (February) we received several Christmas cards (thank you!). The speed of the Argentine postal service can account for some, but others were due to a *very* out of date address being used. **Please note our postal address below...**

Felices Fiestas

Many thanks for all your support in prayer! God bless you! With love in Jesus!
