

### A 100 Year Plan!

No, I'm not thinking of spending 100 years translating the Bible into Toba! But it's this: if Allen Gardiner's vision for the Tobas began to be fulfilled in 1930, when Alfred Leake and Alec Sanderson became the first missionaries to the Tobas, then couldn't we provide the Tobas with the complete Bible by 2030? It's not an impossible task! (Just very difficult.)

### Where we're up to now:

- (1) **First draft translation:** the Minor Prophets are complete, and Hilario has moved on to Job (see "What's next" below). The team have decided to let Hilario do the first translation, with José and Osvaldo helping when needed and then revising the work before it's passed on to Michael. **Some good news:** Hilario now has a computer! But he still doesn't know how to send emails, so some training is required next time Michael visits (hopefully early June).
- (2) **Checking:** On Michael's recent visit to Juárez, we had a second look through Malachi, and moved on to Hosea. Just Zechariah left after that.

*Please pray for continued good progress as we draw close to finishing the Minor Prophets.*

### What's next:

- (1) **July-December 2013:** We believe the Lord wants us to finish the Western Toba Bible, and we plan to continue with Ezra, Nehemiah, Esther, Job, and some of Psalms (although Hilario is keen to do Proverbs). *Please pray for good progress, and for Michael to be able to make regular visits.*
- (2) **Electronic versions:** The Argentine Bible Society has made the Toba New Testament available for phones, tablets and computers via the **YouVersion** software (if you look for it, it's under the Pilagá language and is called NT Toba Sombrero Negro). Michael is now looking at the possibilities for putting it in **theWord** and **MySword**.
- (3) **Toba dictionary:** With high priority again being given to the translation work, the dictionary has been put on the shelf (literally) for the time being. But Michael will continue to update it when he has time available.

*Please pray for us as we set out on this new stage of the journey with the Tobas.*

*Main road into Juárez*

*Michael with Hilario*

**Budget 2013:** For the first half of this year we are nearly up to the budget proposal (see page 2). However, the one-off costs are not yet covered. The budget proposal for **July to December** will have the same monthly costs, and additionally we hope to be able to cover a trip to England either in July or after Christmas. *Please pray this through!*

**Family:** Please continue to pray for good health, and for God's protection at all times. Give thanks that Michael's diabetes continues under control, with diet, exercise and occasional medication. Please continue to pray for Silvia, exhausted from caring for her mum who is very frail now - give thanks for help from social services, providing a visitor two mornings a week.

**Argentina:** Please continue to pray for president Cristina Kirchner (left) and her government, for effective policies to produce economic growth, reduce unemployment, and to counter crime, corruption and inflation.

*Many thanks for all your support in prayer! God bless you! With love in Jesus!  
Michael, Silvia, Kevin and Christopher*
