

**Pray for the congregation of “La Resurrección” in Gómez Carreño and our family ministering here.**

**Please Pray for:**

### **THE LOCAL CHURCH**

- Strength, wisdom, and fullness of the Holy Spirit for the many end of the year activities.
- Our deepest desire it is to seek God’s will for us, for the leadership and congregation, that we may move in obedience to our Saviour into the coming year.
- To orchestrate the God given gifts in our congregation in order to worship God in Spirit and in truth, grow into the stature of Christ and be effective witnesses in the community and wherever God leads.
- To be sensitive to his voice, so that we work on the same priorities that God our Father has for us, both as individuals and as a congregation.
- For spiritual healing and guidance for the whole congregation, that we may continually hunger for God and enjoy a growing relationship to Him.
- That the church would understand and take on the responsibility involved in having a full time pastor.
- The local church is being challenged to execute two important projects:
  1. **Building for much needed extra space for Sunday school and youth activities.**
  2. **Repairs and extension of church house to enable family and church life to function more effectively.**

## **THE MINISTRY THAT GOD HAS GIVEN US**

- Since Danny's return to full time work last August (after 4 months off sick with a severe depression) he has known God's wisdom, and power on and through him. However, we know that we need more and more of Jesus' vision and enabling for our lives for every day and situations.
- It is so easy to become too busy and involved with people and what clamours to be done and neglect our quiet time with God. This is dangerous. Pray for Danny especially in this regard.

## **FAMILY NEEDS**

- Ary's health. (Ary continues to suffer from back pain and pain in her hands.)
- Michael has finished his 8 years primary schooling and is going on to a new high school where Samuel already is facing his last to years before university.
- Please help us pray for a more adequate school for Andrew, 8 years old, and going into his 3rd year of primary school.
- Please support Samuel and Michael in prayer in their desire to walk closer with the Lord.
- The church house is in need of major maintenance. Pray that the Lord will touch the hearts of the congregation to raise the necessary funds for this to be undertaken before our next winter (Hopefully in March - April).
- That we may correctly prioritise and balance the responsibilities between our family and the congregation.
- Ary's Dad is home after his second session of chemotherapy and is feeling a bit better. Her Mum and Dad are finding very hard to manage at home, both emotionally and in practical matters on a daily basis.

Thanks for your support in prayer and special greetings and blessings to each of you at this Season

In Christ

Danny, Ary, Samuel, Michael and Andrew
