

IGLESIA SANTIAGO APÓSTOL

PRAISES!

The church is growing in commitment and service. There are about 30 people that are part of the "engine team" that helps run all the different aspects of the church. That is new and God deserves all the glory!

Students

Please pray for the Student's ministry that Max Díaz is leading. New students are getting to know the gospel. Our goal is that a small group may start meeting regularly during the first semestre of 2014 as a community that grows in the knowledge and love for Christ.

Self-support

Please pray that our church may be able to support herself by the end of 2014. Our family have been supported by SAMS /CMS and Crosslinks for 10 years and I think we have reach the point in which our national churches should start doing that by themselves. Let us pray that God may help us to reach that goal too without being a burden but a joyful duty for the sake of the gospel in Chile.

A year of growth

We are praying that 2014 may be a year of growth and consolidation. After our family Retreat during Easter our church experienced an increasing willingness to serve and to love others in downtown Santiago.

Apart from that, we have seen first fruits in the Student's ministry. Max Díaz has been meeting non-christians and inviting them to a evangelistic course. We can see God at

work and people are responding possibly. We have been praying for this opportunity for years and we can see how God is opening that door for the proclamation of the gospel.

EASTER Family Retreat

It was a very special time. We could think about the book of Collosians and remind ourselves about what it means to live under the knowledge and lordship of Christ. The main call was to consider Christ as the Lord over all

- We had one baptism and three confirmaciones
- Bishop Héctor Zavala visited us and we have a joyful service with him closing the weekend with a nice chilean Barbecue.

CRISTO

SOBRE TODO

Going to the streets to share

Our church is also doing a once a month evangelistic activity on the streets of our neighbourhood. The last wednesday of the month a small group will go out to share bread and coffee with those who are passing through to "get to know them and for them to know us".

Last month we went to a particular street which is well known for been a very promiscuos place. Sexual commerce of inmigrants, drugs, etc. is all happening on it as the night begins.

- Please pray that God may allows us to be a loving and merciful community for those who suffer of social injustice in our

"Por Renacer de la pasión" Trustee

After 10 years of evangelism and training young people through MOU; the team had decided to go one step further and creat a Trust that aims to help churches to discover, enjoy and proclaim the gospel of Christ to our generation through the organization of evangelistic outreaches and training strategies.

- Please pray that we may raise the resources and funds that are needed to the establishment of the proyect and so be able to serve and love the churches in South America
