

July 2014

Paraguay Over the past couple of months there has been a lot of rain in Paraguay, leading to flooding. The Chaco has especially felt the effects of the floods, with vast areas of land under nearly a metre of water, and transport being very difficult. Pray for those effected by the floods, for safety and shelter and for more effective ways of dealing with the floods.

Pray too for Chris Hawksbee who travels regularly to the Chaco with the work he is involved in, as he has had some challenges with the current circumstances. Pray for Alison who is resigning from the Asuncion Christian Academy at the end of July and beginning a new post at St Andrew's College as a Science teacher.

Concepcion Pray for San Pablo church as they adjust to changes as Bishop Andres has retired. Pray for the church council as they take on more responsibilities for the ministry of the church. Pray for unity within the team and for growth within the local congregation. Pray for Claire and her work with young people in the different areas of Concepcion.

Peru Give thanks for Paul and Sarah Tester and the local youth leaders they work with in the church. Pray for Paul and Sarah as they are expecting their second baby in August and for Lizbeth Varillas (Diocesan Youth Ministry Co-ordinator, Peru) as she has started a new course in Youth Ministry in Buenos Aires.

Red Box Project Pray for Cecilia and the work she is involved in with the Detention centre. Pray especially for Lilian who Cecilia has been meeting with and bringing to church when she is allowed out of the centre. Pray for all the ministries that Cecilia is involved in and for God's blessing upon them. Pray for guidance and wisdom for the Red Box Project and future volunteers.

Garden Project Pray for Alec and the work of the Garden Project. Pray for the people that Alec works alongside, that they will grow in their faith and be able to provide for their families. Pray too that the government will take more initiative to expand the Garden Project across more communities.

Santiago, Chile Pray for Max Diaz as he has been meeting non-Christians through his student outreach, enabling him to invite them to an evangelistic course as part of the student ministry initiative. Give thanks for the opportunities Max and the team have with meeting students in Santiago.

Mission Paraguay Pray for the group from Annaghmore Parish that will visit Paraguay to work with the Anglican church in the north of the country. The four members from Annaghmore Parish will be working with Chris Hawksbee on various building projects in the Chaco. Pray also for David Orritt in leading this ministry, especially in the preparation work before teams arrive.

Northern Argentina Give thanks for the team who visited the UK from Salta at the beginning of June. It was a privilege to have them share with us and several churches during their trip. Pray for them now that they have returned to Salta, may they know God's direction and for wisdom for the future.
