

SPORTS

On Saturday we had our inter schools sports matches. We invited 12 other primary schools to our sports ground to play football and handball. The weather was fantastic; the sun came out, the sky was blue all day long and there was a slight breeze which meant the temperatures were also great. The Lord blessed us with a great day. Turn out for the day was also excellent with well over 1,000 people there. Mags was chief photographer and Gwen was counting points in the office. It was a long day but it went very well. The weather was amazing considering it hasn't stopped raining since then.

The dads watched the World Cup!!

Last week we were invited to the Queen's birthday celebration here in Asuncion. The British embassy hosted it and it was a very nice evening and we were able to meet up with some ex pupils and ex parents there.

British Ambassador with his wife decked out in Union Jacks.

9th Grade work experience

This seems to have been a very busy month in school and reports are due out next week. Some of the older ones have been hard to settle and the 6th form are planning their dance competition this week and then their trip to Cancun in the winter holidays.

DANCE COMPETITION

Likewise, the 15year olds are all planning their trip to Disney in the winter holidays. That, along with all their 15th birthday parties (grand affairs!), don't make classes with them easy! We have had quite a lot of illness in school too, mainly coughs, colds and chest problems due to the cold and damp.
