

Arlan Fick

The 5th Form organized a Prayer time for Arlan Fick. Everyone came in white Tshirts and held a white candle as representatives from each class prayed for his safe return. Arlan has been missing for 90 days now and the ransom has been paid.

Thank You for all your support.
Please keep praying.
God Bless and love from

CONFERENCE and Holidays

We are off to Atlanta, USA at the beginning of July for a conference which focusses on the management software that we use in school. We are into our 2nd year with it but we feel it could do so much more if we knew more about it. Four of us are going. We will miss the last week of school before the holidays. It finishes just as the winter holidays start so we have decided to stay on a week extra. We were only going to stay a few days extra but it would have cost more on flights to come back sooner so now we will also spend a few days in Miami...we had to change planes there anyway! We are looking forward to it as we had been wondering what we could do to celebrate a certain special birthday (Mags')!!

Please pray for our pupils as we see they tend to believe in Jesus but they struggle to let Him make a difference in their lives and to put Him first. Peer pressure and a busy social life don't help here.

We have taken the service at church again this month and seem to have settled into the pattern of once a month. Our next one will be at the end of July. It's been going well but our winter is the time when many foreigners finish contracts and return to the USA or other countries so we might see a diminished congregation soon. This Sunday we are having a farewell for someone returning to the UK.

Our animals are all fine. Splash, the puppy, is now 9 months old and very strong and strong willed but cuddly with it! He's taken to eating books recently and also chews furniture so it's been a battle with him. He's full of energy and the others get cross with him every so often. So much so that even the Poppy, the oldest cat, has smacked him twice...that made him jump!!
