

SAMS PRAYER POCKETS

What's in your pocket?

All sorts of things can be found. Don't you love it when you discover money! A lost note is a special resource which helps us buy that extra something.

Through prayer, we access all sorts of wonderful riches that God has already put aside for His growing Kingdom. Prayer is the key to open this extraordinary door!

Our idea of **SAMS Prayer Pockets** is to gather with like-minded people to pray on a regular basis for the South American church.

Who knows what spiritual resources will be released when we commit ourselves to prayer !

Will you be part of prayer pockets?

Paul tells us in Thessalonians (1Thes 5:17) that we need to 'pray continually'. At SAMS we think this is a simple challenge, that we need to do continually. ***This is an invitation to PRAY.***
