

VOLUNTEERS

Be part of the SAMS Family

God has called each one of us as Christians into mission. At SAMS we believe that God has placed into our lives something of mission, specifically in partnership with the people of South America.

We would like to invite you to consider what's in your spiritual DNA?

D - Discipleship, following Jesus even to the end of the earth

N - Now, not putting off what God calls us to do today

A - Active, using our gifts and talents for God's glory

SAMS would like to provide you the opportunity to put some of your spiritual DNA into action. The following volunteer areas (*overleaf*) are ways in which you could exercise your gifts which ultimately we pray will encourage the development of the church in South America.

If you would like to know more about volunteering with SAMS, please tick the following box(es) and complete the contact details section and return to the SAMS office: *1 Irwin Crescent, Lurgan, Craigavon, Northern Ireland, BT66 7EZ.*

You can also complete the form online www.samsireland.com
