

PRAYER PARTNER PROFILE GUILLERMO DIANA

Who Are You?

Guillermo Diana, pastor of St Paul's Church in Concepcion, Paraguay, and the 'New Way' church in San Juan alongside his wife Rosa. They have six children and two grandchildren.

Where Do You Serve?

In Concepcion, which is a market town about 250 miles from the capital city. Also in a place called San Juan which is a rural farming community 25 miles from Concepcion.

What Do You Do?

As well as pastoring both churches, (with a total membership of 60 people) with the church family, we are planting a church in the colony of 'Pavonkue' where 20 people are being discipled, and they are preparing for baptism.

What Encourages You:

In the church in San Juan 12 young people have just completed an 'Abundant Life' a discipleship starter course.

Also 15 adults have completed a 'Union with Christ', a course based on the Book Ephesians.

We thank God for 27 people who are prepared and trained to serve in God's work.

Prayer Requests:

- For the Lord to grow His church.
- For God's provision so we can re-open the church in Yvapovo (another rural colony.)
- For the team, as they re-form in Concepcion to work with children and adults.
