## Food, Friends and butterflies ...

...just some of the things I want to tell you about this month!

### Food:

Because Ecuador is a hot country, it grows lots of foods and other things that we do not grow in England. Here are some examples, for you to colour in:

banana

oil

pineapple

Rubber

chocolate

Did you know that rubber comes from the sap of a tree?

Look out for Ecuadorian chocolate, pineapples and bananas in the shops!

The children with their school uniform and the children from Laura Flores with the minibus

### Ecuadorian Address:

*"For I know the plans I have for you" declares the Lord, "plans to prosper you and not to harm you" Jeremiah 29 v 11*

### Friends:

Recently I have been learning about how God knows us really well and that he will always be with us now and in the future. I have felt God close to me when I have been on my own. God is my friend and he can be your friend too!

### Butterflies:

The logo for the charity is a butterfly. We have a mini bus with the logo on it and the children have a butterfly on their school uniform. Ecuador has some real butterflies that are the size of a grown-up's hand! The thing I love about butterflies is how beautiful their colours and patterns are. God made the details of their patterns. He also made us and knows us; every little thing. Next time you see a butterfly, why don't you pray for the children in Ecuador?

### PRAY with me:

#### SAFETY:

Thank God that I have not been poorly and that I have been safe

#### SPANISH:

That I will make time to do extra Spanish homework

#### CHILDREN:

Pray for the children who do not have many toys or much water. Pray that they will learn a lot in school.
