Dear friends, 12th Dec 2010

May your homes and hearts be filled with the presence of The Eternal Father. 2010 has had its share of challenges And has also be filled with many good things

We are grateful for:

- settling into life in Paraguay, for rain and God's provision
- Diocesan Synod 2010 'Developing A Healthy Church'
- fruit from the Towards Spiritual Maturity groups
- good health and stamina
- grandson James David Bartlett's safe arrival (20th Oct)
- deepening relationships
- Sally's Bible study for mums

We are spending Christmas with Karen, David and his family and then New Year with Sally's folks in St Andrews. January through to March we will be visiting churches and groups that support us While we are away the congregations will be carrying on with the task of following up the Synod, studying & planning to implement strategies for healthy churches: worship that exalts God, engaging with the presence and power of God, servant leaders, generosity and stewardship, and commitment to healthy, caring relationships. As we travel back to the UK we are hoping that the very cold weather in Britain will be on its way out, here the weather is heating up and reached 38 degrees yesterday.

Thank you so much for your support during the year, its great to know that in working for Kingdom of God we are partnered with many others both here in Paraguay and around the world,

with love + Peter & Sally
