

Ed and Marie Brice, SAMS mission partners, serving the Anglican Church of Paraguay both Indians and non-Indians of the Chaco region, pastoring and teaching, adults and children.

“First, the good news...”

For the first time in a Chaco **Bible school** the daily devotional materials were in the three main languages used by our pastors and leaders, the result of pastor **Remigio's** translation work. Praise the Lord! Travel to and from Río Verde for 31 participants went smoothly thanks to **Esteban's** help. Another first was to have enough chairs and table space for everyone to be able to eat together. Esteban and Remigio gave a demonstration of children's material produced by FEISA for Christian education, in school and church (see photo below). Gradually the relationships between the church leaders in **La Patria** are healing after the disruption earlier in the year. **Bishop Andrés** was encouraged when he made a trip there at the end of June, the same week-end Ed was in **Makxawáya**, a community which has suffered long through alcohol abuse, things there continue to improve. **Marie** plans to visit them with the clowns and puppets on the 16th July please pray.

Studying the Bible with note on 1John in Énxet

Congratulations to

**Neill and Deysi
on their engagement**

Praise the Lord, **David Orritt**, leader of the **Mission Paraguay** volunteer teams arrived safely last week. David will be with us in July and August. The August team will work in Río Verde, remember the teams in your prayers. Praise the Lord that we have also had **generous donations** which mean that the **San Mateo** church should be finished this year. This encourages us to believe that God will also provide the **short-fall in our support despite** the challenges of the recession. Please pray with us as SAMS too look to cover their deficit.

Continue to remember Javier in Alaska till September and **Derek** awaiting exams results and deciding what and where to study after his gap year and making his application. **Marie** as she moves into literacy work with her bi-monthly Saturday afternoon meeting with the women of Río Verde.
