## **Changes at MFH**

**Moving House** – We will be leaving our current house at the end of June and moving to a new one! The new house is situated just two doors away from where we are at the moment. Very different in style the new house, for which we have been able to negotiate a considerably lower rent, although it has no swimming pool, it is still on the beach!

**Changes in the team-** Since Jefferson left us, we have struggled with the lack of a house coordinator, and we are now pleased to announce that “Cida” has become our house team leader. Cida has a great deal of experience, having worked for a short time with us when we were based at the Farm. She was trained with the “Happy Child” group in Belo Horizonte, and during recent years has led the “Happy Child” work in Olinda.

**Our Professional team** is now also complete and working at full speed:-

Debora is our Psychologist -

Daniele is our Social Worker-

Josenide is our Pedagogue –

All three are highly qualified in their areas and are giving their services to MFH, receiving only a small amount for expenses, for which we thank God. Especially as we now have a new Judge in place and each of the boys cases is being reviewed.

Meanwhile, we are in the month of June in which we are having some very heavy rains and are able to do little out at the farm. June is also bonfire, fireworks and sweet corn month! The boys will be taking part in a joint party organized by the authorities for all children in care on Friday the 14<sup>th</sup>. Then the church will also be having special events including a big party out at the farm on the 29<sup>th</sup>.

God Bless, Ian and Siméa.
