

WE ARE MORE THAN CONQUERORS THROUGH HIM WHO LOVED US

Danny and Ary serving God in Vina del Mar, Chile

This letter is loaded with praises to the only one true God, for His tremendous grace, love, almighty power, and His daily victory in our lives.

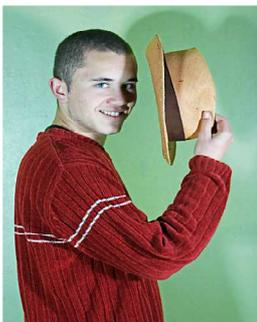

FAMILY NEWS:

Danny: During these last few months God has been working extra time in Danny's life, it was necessary that Danny had time to be away (off sick) and be treated by the Holy Spirit, deep down his soul and heart. God has healed him, freed him and empowered him in a new way, to take on the job he has to do.

Samuel: We are seeing how he is maturing in responsibility and commitment to the Lord Jesus, leading and encouraging others to come to Christ and working very hard at his studies.

Michael: Our hearts are full of praises and joy. At a time when he had many questions and doubts about God and faith, all the young people from the church joined an evangelistic retreat, and despite Michael's lack of desire to go, he went anyway, and there had a personal encounter with God the Holy Spirit, and was able to

understand the simplicity of just believing; his eyes were opened and he was able to see how his whole life has been surrounded by miracles and God's love and presence.

Andrew:

We are so grateful to God for his wonderful love and care!!! At the end of May Andrew was the subject of a very traumatic and false accusation at the new school he had entered in March. As a family we were absolutely devastated and couldn't understand why we were going through such an attack

(the worst of it was that this was hurting our young Andrew). We took him out of that school, and followed all the legal steps that the Ministry of Education guided us to take. Three to four weeks later we found out that, thanks to the steps we took, the legal authority became actively involved and has discovered other serious irregularities within that school, so now the whole case is out of our hands. Because all this happened in the middle of the school term, it seemed humanly impossible to be accepted at another school, however we were lead to a Christian school where Andrew was admitted. The teachers there kindly gave him some extra lessons to level him up, so now he is very happy and well settled among many other Christians, Praise God!

Ary: We have seen how God has been using her in so many ways; in listening, caring, and teaching, especially among the young people, the new believers and the women. In spite of twice having had severe flu, God has graciously enabled her for His service.

Every tongue confess that Jesus Christ is Lord, to the glory of God the Father

GOD DOES ANSWER PRAYER:

- ✚ Healing a lady of cancer, after her diagnosis was confirmed, the doctors requested another MRI and there was no sign of any cancer.
- ✚ Despite the doctors assurance that they had to remove 70% of the jaw of a 13 years old boy due to a huge tumor, once they opened him they saw this mass completely detached from the bone and, therefore, didn't have to remove any bone.
- ✚ A young Christian whose job is to lead fitness classes for adults and elderly in the community, started to invite people to pray for their needs before their classes. (Now their hunger is so great that it is the first thing they request before any exercise). A couple of weeks ago one of these people shared (in front of all the non Christians) that God did answer prayer by returning his nephew after being kidnapped for 3 months (in another country).

GOD IS MAKING US GROW

- ✚ We are seeing a spiritual awaking in the congregation. It is exciting to see how God is moving among us. Many are learning to listen to God and becoming more dependent on doing God's will and not their own.
- ✚ We have seen growth in their commitment to the local body. In these last two months the congregation has taken steps to be more responsible towards their financial responsibilities. They have painted the church and vicarage buildings and improved the maintenance, now we don't get wet when it rains, and both proprieties look far better than they did. We thank God for those of you who were lead to help financially with these projects.

- ✚ As the congregation matures spiritually we have been able to trust some responsibilities to fairly new Christians (only two years ago we wouldn't dare imagine them assuming the leadership of anything).
- ✚ As new people enter the church, whole families become Christians and others are strongly interested in the Gospel, we trust God's Word that He will go adding those who are being saved.

OUR YOUTH ARE BEING RADICALLY CHALLENGED

- ✚ God is working in a very special way among the young people; the group has grown in number and new Christians.
- ✚ A 3 months old Christian, a 25 years old man, is full of passion for Christ, and is sharing the Gospel with all his friends, and everyone he meets. Already two people have received the Lord. He was tormented for a long time, by "something" very dark, every night, He was in fear, and he also became very ill 3 years ago (heart and breathing problems and a deep depression because he was unable to do any sports or even to walk much). But after he received Jesus as his personal Savior, He became a healthier man; he no longer has anything to fear and is unstoppable in sharing that Jesus is THE TRUTH (which he has finally found).
- ✚ God gave us the vision of starting a group to which to invite those who once had given their lives to Christ, but who no longer attend any church. They are around 23 young adults (between 20 to 30 years old) We had such a wonderful time on our first meeting as they all recognized that the Lord has been calling them back to Him.

I can do everything through him who gives me strength

ALPHA COURSE

✚ Thanks to our brothers and sisters from the “Union Church” (a local Vineyard Church), God willing, we will be able to start “our first Alpha course” this coming September. So far we have been able to send some of our people to the Union Church to live the course and learn so they are now able to help the rest of the congregation (first) and then the rest of the community to be blessed through this course. Please pray for us in this endeavor. We will be the first Anglican Church in Viña del Mar to start this course.

PRAYER REASONS

- ✚ That we may always keep our eyes in Christ, doing what He desires.
- ✚ That we be able to disciple all the new people that are coming to his Kingdom.
- ✚ That God will enable us to be wise in sharing the load with the people that he has called to stand with us.
- ✚ That God will help Samuel in his final year at high school and his entry exam to university.
- ✚ Thank God that He is sufficient for all our needs, emotional, physical, spiritual and financial.
- ✚ That we be able to have more family time.
- ✚ For provision in all it takes to start an Alpha Course.
