Our Journey Continues...

... The final stretch of our formal theological studies

In August we started our final term of our studies at Bible College. We thank God for having given us the opportunity of preparing ourselves to serve Him better

...Towards the adventure of mentoring!

Buenos Aires is a huge city! In this city a meeting for mentoring can turn into an interesting adventure. Flavia mentors Hanna, and English Striders who lives in the south of the city. We live in the north. In order to meet up they both travel to the centre. Everything starts with an half hour wait at the bus stop of line 60, the interesting journey continues with an hour in the bus, followed by 20 minutes in the underground and finally a walk through the busy city. But it's worth it because we are able to enjoy a good time of sharing together and delicious coffee!

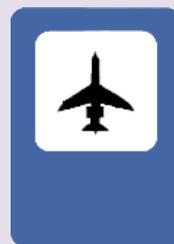

A stop on the way

In July we had our annual Argentina-Chile team conference. It was a good time of sharing together, reflecting and taking decisions for the future.

...Towards Salta

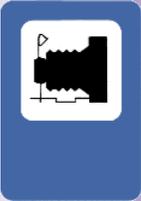

In August we went to Salta to organize the final details of the projects for the new Striders who arrive in September and we worked in EJE – Youth Encounter.

...Saying goodbye to fellow travellers and receiving new ones.

In July we said 'goodbye' to 3 Striders who finished their time of service. In the same month we welcomed two Step teams, one from Switzerland and one from the UK.

Do you think Dany is ready to be a father?

I think he needs to practice loads!

But we are not so sure that Hazel Frost is happy with Dany practicing with little Daniel!
