**PRAYER POINTS – JULY 2015**

Hi everyone,

Firstly let me say sorry for the longer than normal gap between our April prayer points and today's July edition. Major computer and internet difficulties are mainly to blame. In the April edition we were still enjoying the late summer sun mixed with water rationing! Since then we have had severe rains and flooding, which have among other things affected our internet availability! Climate change?

This week Unicef announced their latest research figures for Brazil, with the following well researched statistic:-

**“ 28 children and teenagers are murdered in Brazil daily”**

Today we have 10 boys at MFH each one with his own story. While we receive boys mainly from the Olinda area, we are also giving a home to some from further away as the authorities consider it too dangerous for them to be looked after nearer to home following life threats from those involved in drug trafficking. So please pray for:-

**Diogo 8yrs, Rafael 11yrs, Armando 12 yrs, Luiz 13 yrs, Cauã 10 yrs,  
Davi 12 yrs, Lucas 12 yrs, and Wejele ? yrs.  
Luan 9 anos. Gabriel 8 yrs.**

**Living Water's News.**

**The barrel containing water shows various cuts in its side. Each one representing a different aspect of the life of the local church. The amount of water that the barrel can hold is determined by the least effective or weakest aspect of the local church, which needs to be identified and worked upon.**

**Living Waters is in the process of identifying our weakest areas and working on how we can strengthen them.**

**Brothers Francisco 20yrs and Fabio 19yrs spent 3 years at MFH when they were much younger. Today they are helping as volunteers!**

**While these two, also brothers aged 8 and 12 are currently keeping the team busy at MFH.**

**Two photos of living examples of prayers answered and prayers needed**

**Latest youth camp held during the June holidays**

### Family News

#### Explaining the Cake!

Cintia took a friend for her ultra-son at which the sex of the baby would be revealed. This information was passed to the friend without Cynthia's knowledge! Friends were then invited to a pink and blue party at which each guest had to guess boy or girl. When the cake was cut all would be revealed as the inside would be either pink or blue. The photo shows Cintia and John discovering a very pink inside to the cake!! Our first

granddaughter is due in September!

**The new beach road which passes in front of MFH is finally finished !**

Lots of love from us all

Ian , Simea, John, Hudson,  
Renata, Cintia, and Tim.
