### Dear brother and sister in Christ

We are very grateful for the ongoing concern and support you have given us through the years. This has meant a great deal to us as a family and in the ministry. As you have prayed we have ministered at "La Resurrección" church and have experienced great outpourings of God's blessings in the power of the Gospel. However, after eight years of serving in this place, we have sensed strongly that our time here has come to an end and that we need to move somewhere else.

We are praying and seeking to understand what is God's will for us in the future, knowing that only in the path of obedience can full blessing come.

We are experiencing real peace and the conviction that this is God's time for us to move on. Because of this assurance, we have taken the step of communicating our intention to the local church, to our archdeacon and to our bishop.

Right now we are experiencing a time of real blessing in our ministry; the congregation is growing in numbers and in maturity. Humanly speaking it would seem foolish to take this decision at this time, but God's ways are not ours.

At present we have no clarity as to where or when God wants us to go. We just want to do God's will, therefore we ask you to stand in prayer with us as a family.

We feel that we have to knock at different doors until God's right one opens for us, therefore, if you know of any opening in your parish or elsewhere, please let us know. Danny is looking for a vacancy as a parish assistant or with a team ministry. Our ministry in "La Resurrección" church has mainly been in communicating the good news of Jesus Christ (evangelism) discipleship to all ages and youth work, and getting involved in existing community organisations as a means of breaking down barriers and earning the right to talk about Jesus.

Through teaching and small group discipleship our aim has been that every member of the congregation be transformed into an active communicator of the Gospel of Jesus Christ.

Ary and I have always worked as a team: she has been given the gift of evangelism, as I have that of teaching and preaching.

Greetings in Christ, please pray for all of us.
