MFH Prayer Points – NOVEMBER 2013

National Children`s Day

The past month has been a very busy time as here in Brazil we celebrated national children`s Day, which fall on the 12th of October but celebrations tend to spread on throughout the month. We began with a fun day for the Sunday school 3 to 9 year olds to which around 30 youngsters turned up, for fun and games at church, eats and presents. The following weekend we went camping out to the farm with 40 of our ten to fifteen year olds. This was a new experience for many of

them, especially the girls. And for us a lot of pre camp visits to parents to persuade them to let them take part. Camps at the farm include quite strenuous ventures along the farm trail, as well as midnight activities! However we survived and rejoiced in the fifteen young lives given to Christ during the camp.

The following weekend a local school brought 38 members of their staff to lay on a party for the boys and girls groups, which included individual members of the school adopting a specific child and bringing presents, as well as food and highline supplies for MFH.

We have 10 boys at MFH at the moment, including are newest arrival Diego, who is only six years old

Thanks to a grant from Scotland we now have the three computers up and running at MFH. Computers are becoming a must for school homework studies, but need careful monitoring.

MFH staff, we are short staffed at the moment as one of our helpers leaves at the end of October. Please pray that one or two more helpers may be found as quickly as possible, and especially before the long school holidays begin in December.

The local shopping centre has just revealed its Christmas decorations, which is a strong reminder that yet another year has flown by, and that while we have much to give thanks for, we always seem to see that much more needs to be done, so please do continue to support us with your prayers,

Lots of love,

Ian, Simea, and the boys.
