## **Fun, Games, Food and Presents**

**F**or the first time, the Olinda Courts of Justice met with us and representatives of others working with children at risk and together we organised a Christmas Party for the 78 children and adolescents in full time care in Olinda. As a result of a lot of effort, each child was able to choose a present and have a real fun time. The boys from MFH were the star attraction receiving a standing ovation for our percussion band. Volunteer from England, Jodie Marshall was there to record the event.
