

The harvest is plentiful but the workers are few.
Ask the Lord of the harvest, therefore,
to send out workers into his harvest field.
Matt. 9:37-38

Please partner us in prayer and communication as we seek a new International Director for SEAN International

SEAN International provides accessible, biblical training materials, and partners with others to make them available globally. They are currently used in eighty languages in over one hundred countries throughout the world with many partner organisations. SEAN courses have been specially prepared for use by ordinary people, without the pre-requisite of higher education or advanced theology.

The current International Director, the Revd Terrick Barratt, is retiring after forty-five years of faithful service in which he has seen the ministry grow exponentially.

We are writing to ask if you would be willing to advertise this post through your networks and to pray for us as we seek a new international director. You will find a job description giving details of the post attached with this letter.

The new Director will oversee SEAN International, providing leadership to the organization and being responsible for its management and the achievement of its objectives, within the strategic and accountability frameworks agreed by the Board. Specifically, within the first two to three years, the Director will lead the further development of the vision of SEAN International and plan for its implementation.

Further details of the post can be requested from Ben Stansfield (ben.stansfield@seaninternational.org). Ben can also put people in touch with someone who will be able to talk through any questions they might have about SEAN International, the role of International Director or advertising the post. **Please pray with us as we seek to fill this important post in the teaching ministry of God's church.**

Yours in Christ,

Revd Dr Andrew Angel
Chair of the Board of Trustees
SEAN International
