

## Paraguay Prayer Calendar July and August 2011

Bicentenary Celebration, King of kings, Remansito

Leadership training, Luis & Regina, Joan & Richard

### **Week Fri 1 – Thurs 7 July Give thanks to God and be happy!**

*Be happy that your names are written in heaven! Luke 10:20 CEV*

- 5 new believers are attending Bible studies run by the San Andrés Cathedral congregation and there are 2 new believers in the Mirador Church
- joyful, creative and memorable events which marked Paraguay's bicentenary celebrations, leading to an upbeat atmosphere and greater valuing of Paraguayan culture
- Global Chaco has promised funding to the tune of US\$ 50,000 for the Santa Fe community in the Chaco, for their cattle project. This is going to be administered through the OMI organization of El Estribo. Please pray for that this is done in the correct manner to build up local administration capabilities.
- over 40 lay leaders and clergy from Anglican churches in the Asunción region attended a series of evening workshops as part of a 2 week leadership training course led by Dr Richard and Joan Forde
- there have been abundant crops of sweet potatoes and pumpkins in the gardens of many of the Chaco families in recent weeks
- FEISA teacher training college: We thank God that we are able to run Christian schools here, with complete freedom to teach God's Word. In fact, one of the officially stated aims of Paraguayan education is that 'each child should be helped to gain a healthy relationship with himself, with others, with his natural environment and with God.' We consider this is a privilege which few other nations enjoy in the world today.
- Mission Paraguay ask us to praise the Lord that through the generosity of individual supporters and churches funds have been donated to enable the planned programme of work to go ahead this year. Please pray that He will grant wisdom in decisions concerning the use of funds to bring the greatest benefit to His church and people.
- 45 – 70 young people are meeting together for social activities and Bible studies following on from the last Youth Encounter weekend. This ministry continues to impact the lives of many young people which are a testimony to God's working today
- we thank the Lord that cooler winter weather has meant that the dengue fever epidemic has subsided

*Will you be a happy person to whom unhappy things inevitably happen from time to time? Or will the basic context of your life be unhappiness, in which joyful things periodically relieve the discontent? You can choose! (quote from 'Be happy! a 40 day journey to contentment' by Peter Graystone, Church Army)*

## **Week Fri 8 – Thurs 14 July Seeking God’s Wisdom**

*And Daniel blessed the God of Heaven. Daniel answered and said, Blessed be the name of God forever and ever, for wisdom and might are His. And He changes the times and the seasons; He removes kings and sets up kings. He gives wisdom to the wise and knowledge to those who have understanding. He reveals the deep and secret things; He knows what is in the darkness, and the light dwells with Him. Daniel 2:19-22*

- Ronald & Nicky Irene ask us to pray for them to be given wisdom, discernment, and the ability to guide and lead Anglican Marriage Encounter. We give thanks for the couples who are attending the follow up meetings and for the small bible study group that Miriam and Miguel Greco are heading up.
- we pray for all who attended the recent leadership seminar that the teaching received would be practically worked out in the life, witness and service of the local churches
- pray for church councils as they continue the work of implementing strategies for healthy churches
- we pray for St Andrews 7pm as they seek to start new Bible studies
- please pray for Murray Metcalfe visiting Asunción, spending time with the Esperanza children’s foster home, that all involved will be given wisdom and understanding regarding the way forward
- please pray for Bishops Peter and Andrés for wisdom and discernment in difficult decisions which they are called to make, and that they would be encouraged as they see the changes that God effects
- we pray for Ronald, Donald, David, Guille, Clari, Yoryi, Yasmi, Sofi, Raquel, Ivo and Dani that they would be given wisdom and discernment as they seek to set up a diocesan youth office to further the expansion of the Kingdom of God amongst young people in Asunción

## **Week Fri 15 – Thurs 21 July Praying for peacemakers**

*Who is wise and understanding among you? He should show his works by good conduct with wisdom's gentleness. But the wisdom from above is first pure, then peace-loving, gentle, compliant, full of mercy and good fruits, without favouritism and hypocrisy. And the fruit of righteousness is sown in peace by those who make peace. James 3:13, 17,18*

This week schools and educational establishments across Paraguay are enjoying the winter holidays. We pray for staff and children and young people for peace in their homes, rest and protection from seasonal illnesses (as Paraguayan winters can be cold and depressing). We thank the Lord for the contribution of Beth Bridgewater, Jo Miller and Zoe Eaves to the work and witness of St Andrews College and the Anglican Church in Asunción. We pray for Jo & Zoe as they adapt back to life in the UK and continue with their studies, and for Beth as she moves on to work with marginalised children whose families make a living from the rubbish dumps of Asuncion, asking that she would be given wisdom, strength, grace and peacemaking capacities in her responsibilities.

David Orritt asks us to pray:

- for the safe arrival of the Misión Paraguay group on 15th and 16th July
- give thanks for the hospitality of the church fellowship at St John’s where the group will be staying
- that the Lord will richly bless our visits to church communities in the Asunción and Concepción areas and that the development of friendships and sharing of gifts will draw us into a closer walk with Him and bring glory to His name

- the five team members who launched a sewing workshop at Saint Matthews church, Rio Verde in June are praising God that it brought such joy to the 16 people who attended.
- there are now 7 women wanting to make shoulder bags
- please would you pray for the group, some with very challenging home situations, who could meet weekly to sew and chat in the church. They are Karina, Cipriana, Tomasa, Negrita, Jacinta, Debora and Rumilda and the co-ordinators are Marie and Zuni.

The Enxet Bible translation team ask us to pray for them:

- for Tim, Asunción, Juan and Martín, especially for peace for Martín's family at this time of difficulty and instability following the death of the twins
- in spite of problems, good progress has been made on the checking. Martin's draft of Ecclesiastes was checked by the team at the beginning of June. They are currently checking Martin's draft of Leviticus and on Asuncion's draft of Deuteronomy, and this checking is going well, as they move swiftly through the narrative passages.
- please pray that the intensive and constant checking will not lead to spiritual dryness in the team
- pray for a good relationship between the team and local Enxet speaking churches, and local schools
- for Tim and other team members to find the time and space to prepare well for the occasional visits to Enxet speaking churches further afield such as the Makxawáya church, or those in El Estribo, as the team is usually quite tired at weekends!

### **Week Fri 22 –Thurs 28 July Education**

*My son, obey my words, and treasure my commands. Keep my commands and live; protect my teachings as you would the pupil of your eye. Tie them to your fingers; write them on the tablet of your heart. Pro 7:1-3*

- the visit of pastor Mario Caballero and his group of musicians to the churches in La Herencia, including San Mateo, Rio Verde and for the encouragement they give to the community in Yatnata

and to pray for:

- imaginative ways to involve young Enxet people in improving their reading skills (groups of Enxet young people turn up spontaneously at weekends in Rio Verde where Tim lives)
- the many Enxet people from Makxawaya, La Herencia/Sombrero Piri, La Patria, El Estribo now spend much of the year away from their communities working on ranches or in the Mennonite colonies. Sometimes this disrupts family life, especially if the father is away for long periods with older members of the family, leaving the mother and younger members behind in the community
- Pastor Elvio Cabañas as he begins to prepare materials in the Énxet language for use in Énxet speaking schools in the Chaco, and for a continued spirit of cooperation between the team and Elvio.

## **Week Fri 26 – Weds 31 August Asking for wisdom**

In 1950, the psychoanalyst Erik H. Erikson, in a famous treatise on the phases of life development, identified wisdom as a likely, but not inevitable, byproduct of growing older. The Apostle James, the brother of Jesus, teaches Christians an important truth: *Now if any of you lacks wisdom, he should ask God, who gives to all generously and without criticizing, and it will be given to him. But let him ask in faith without doubting. For the doubter is like the surging sea, driven and tossed by the wind.* James 1:5, 6

We ask God to give wisdom and understanding to the leaders of Anglican Marriage Encounter as they prepare for next month's encounter weekend.

We ask God to give wisdom and understanding to the EJE Youth leaders in their preparations for the next EJE weekend and for their plans to start a Saturday night Youth Service.

Finally you might like to take time to pray that you will be given a wise heart that will ask in humility how to use your talents and gifts in a way that will bless others.

Heavenly Father, draw us close to you and fill our minds with your wisdom. We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, forever and ever. AMEN.

Thank you for praying for the Anglican Church in Paraguay,
