

Ed and Marie Brice, SAMS mission partners, serving the Anglican Church of Paraguay both Indians and non-Indians of the Chaco region, pastoring and teaching, adults and children.

“If the Spirit of God, who raised Jesus from death, lives in you, then he who raised Christ from death will also give life to your mortal bodies by the presence of his Spirit in you.”

Congratulations!

Neill and Deysi on the birth of **Ian Xavier** on 23rd March. He weighed in at a respectable 3Kg 100gms.

Praise the Lord that the Chaco history book launch went well and now we are making arrangements for its distribution in local Christian bookshops.

Last month's tragic death of a 13 yr. old girl in a motorbike accident, in Río Verde has been followed this month by the murder of a 16 yr old boy in Makxawáya and a week later the murder of a retired police man in Río Verde. In the case of Makxawáya the community has been shaken into action against the indiscriminate sale of alcohol, which seems to have played a part in the events. In both cases the communities have identified the suspected murderers but in rural areas it requires more than that to get an arrest a proper trial and sentence. Please pray that the Christians will be salt and light in this darkness.

Please pray for the pastors studying the **SEAN Matthew course**. **Juan** and **Romualdo** should be finishing Book one this month. For Pastor **Elvio** and **Teodoro** in Sombrero Piri who are both finding it increasingly difficult to do the necessary study before we meet. In a similarly way I still haven't been able to meet with Pastor **Mario** in El Estribo because he had to go to Asunción to help a relative injured in road accident. It is clear that we need to pray for the pastors as they establish priorities when they are so much in demand. Please remember Remigio, too, as he works on translating Bible study materials into énxet, we meet for five days in Río Verde every month.

← The roof materials recovered from the old San Mateo church and where we want to start reconstruction next month →

Praise the Lord that Leeds University have offered a place to **Derek** to study Medical Science if he passes an English exam. Please continue to pray that he will be recognised as a UK resident.

With all our love in Christ Ed and Marie
