

Classes

The primary and secondary pupils are now coming to the end of exam time and now reports are due! Gwen is pleased with the way her infant class are progressing and enjoys her hour a day there. She also takes a 6th grade group on Tuesday afternoons. This will increase a little in this new month as Rachel Rudman is going to England to get married before returning with her new, Paraguayan, ex pupil, husband!

Mags is busy with her maths classes and very thankful for the help of Sarah Clarkson who, somehow, arrived in Paraguay at just the right time!!

Mother's Day

Preparations are well under way for our 50th anniversary celebrations. The children are all practising marching for our school's march down the main street in town on June 22nd. It seemed an odd idea to us but something people here do! Anyway, we hope to use it as a time of witness with singing and then a talk. This coming Friday we are all going to our sports ground to practise marching and this time it will be the whole school and staff!!!!

Celebrations

Our big school supper will be on June 28th in the evening. This will be a big event and there will be room for over a thousand people including ex pupils, parents and staff and some of the older pupils. Some of the ex pupils who are parents are organizing this for us. Please pray that our celebrations will be honouring to God and might reach out to others. During the week of June 22 to 28th we will have other events too like an ex pupils' service where we hope Bishop Greg will speak, a school service where Bishop Ken Clarke from SAMS Ireland will speak, the supper where Bishop Peter will speak and also a Gala night.

15th birthday

Great niece and nephew

Thankyou once again for your prayers. We are planning to come to England at the end of the year and hope to visit some of our link churches in January. If you would like us to visit please get in touch with us via e mail. We won't make it to everyone but hope to see as many as possible.

God Bless and lots of love, Gwen and Mags
