

**News and Prayer Requests from Felipe and Sarah Yáñez
in Málaga, Spain**

February 2009

Dear praying friends,

The time has come, once again, for us to plan our visit back to the UK this summer to visit some of our supporting churches. We have 6 churches we hope to visit, stretching from Yorkshire across to Gloucestershire and into London. We also hope to attend a CMS conference in mid-July and will be at New Wine (25-31 July).

The kind loan of a car for the duration of our stay last year enabled us to do the visits back-to-back, with 5-6 weeks on the road, but saving on what would have been considerable public transport and accommodation costs. We had some wonderful church visits, spending about 4-5 days in each place, which allowed us to get to know people, the church and its locality better and enabling us to catch up with others we knew in the area.

As we plan for this summer, please can you begin praying for the following:

- That our visits all fall into place –
 - availability of the churches so we can visit those in each geographic area on consecutive Sundays.
 - that despite school holidays, we will meet the 'right' people at each visit.
- For the provision of a family car from someone/a family, with easy access to an international airport for collection/drop-off (from approx. 1st July - 4th Sept).
- For booking flights relative to where the car might be (some airports are particularly expensive to fly in/out of from Malaga.)

This coming week sees us away on a week's holiday, so we also ask prayer for:

- Protection in traveling.
- Wisdom and God's guidance as we use this week to seek His will regarding our roles within the Centro Cultural and Church, and whether to pursue possible additional ministry in the area.
- In the light of this, whether we need to move to another apartment and, if so, when and where.

Thank you so much, again, for your prayers and encouragement.
Muchos bendiciones,
Sarah, Felipe, Sam and Aaron
